| 1 | <i>Abies alba</i> | Jodła pospolita, jodła biała | | | | VU | | | | 1 | | | | | T |
| 2 | <i>Acer platanoides</i> | Klon pospolity, klon zwyczajny | | | | | | | | | | | | | |
| 3 | <i>Acer pseudoplatanus</i> | Klon jawor, jawor | | | | | | | | | | | | | |
| 4 | <i>Achillea millefolium</i> | Krwawnik pospolity | | | | | | | | | | | | | |
| 5 | <i>Achillea ptarmica</i> | Krwawnik kichawiec | | | | | R | | 3 | 3 | | | | | T |
| 6 | <i>Acinos arvensis</i> | Czyścica drobnokwiatowa | | | | | | | | | | | | | |
| 7 | <i>Adoxa moschatellina</i> | Piżmaczek wiosenny | | | | | | | | | | | | | |
| 8 | <i>Aegopodium podagraria</i> | Podagrycznik pospolity, śnitka | | | | | | | | | | | | | |
| 9 | <i>Aethusa cynapium</i> | Blekot pospolity | | | | | | | | | | | | | |
| 10 | <i>Agrimonia eupatoria</i> | Rzepik pospolity | | | | | | | | | | | | | |
| 11 | <i>Agrostis canina</i> | Mietlica psia | | | | | | | | | | | | | |
| 12 | <i>Agrostis capillaris</i> | Mielica pospolita, mietliczka | | | | | | | | | | | | | |
| 13 | <i>Agrostis gigantea</i> | Mielica olbrzymia, mietlica biaława, | | | | | | | | | | | | | |
| 14 | <i>Agrostis stolonifera</i> | Mietlica rozłogowa | | | | | | | | | | | | | |
| 15 | <i>Ajuga reptans</i> | Dąbrówka rozłogowa | | | | | | | | 3 | | | | | |
| 16 | <i>Alchemilla gracilis</i> | Przywrotnik polyskujący | | | | VU | | | | | | | | | |
| 17 | <i>Alisma plantago-aquatica</i> | Zabieniec babka-wodna | | | | | | | | | | | | | |
| 18 | <i>Alliaria petiolata</i> | Czosnaczek pospolity | | | | | | | | | | | | | |
| 19 | <i>Allium ursinum</i> | Czosnek niedźwiedzi | | | | | | | | | Ocz | | | | |
| 20 | <i>Alnus incana</i> | Olsza szara | | | | | | | | | | | | | |
| 21 | <i>Alnus glutinosa</i> | Olsza czarna | | | | | | | | | | | | | |
| 22 | <i>Alopecurus geniculatus</i> | Wyczyznik kolankowaty | | | | | | | | | | | | | |
| 23 | <i>Alopecurus pratensis</i> | Wyczyznik łąkowy | | | | | | | | | | | | | |
| 24 | <i>Ammophila arenaria</i> | Piaskownica zwyczajna | | | | | | | | | | | | | |
| 25 | <i>Anagallis arvensis</i> | Kurzyślak polny | | | | | | | | | | | | | |
| 26 | <i>Anchusa arvensis</i> | Farbownik polny, krzywoszyj | | | | | | | | | | | | | |
| 27 | <i>Anemone nemorosa</i> | Zawilec gajowy | | | | | | | | | | | | | |
| 28 | <i>Anemone ranunculoides</i> | Zawilec żółty | | | | | | | | | | | | | |
| 29 | <i>Andromeda polifolia</i> | Modrzewnica zwyczajna | | | | VU | | | 2 | | | | | | T? |
| 30 | <i>Angelica sylvestris</i> | Dzięgiel leśny | | | | | | | V | | | | | | |
| 31 | <i>Anthemis arvensis</i> | Rumian polny | | | | | | | | | | | | | |
| 32 | <i>Anthemis tinctoria</i> | Rumian żółty | | | | | | | | | | | | | T |
| 33 | <i>Anthoxanthum odoratum</i> | Tomka wonna | | | | | | | | | | | | | |
| 34 | <i>Anthriscus sylvestris</i> | Trybula leśna, marchewnik | | | | | | | | | | | | | |
| 35 | <i>Anthyllus vulneraria</i> | Przelot pospolity, welnica | | | | | | | 3 | 3 | | | | | T? |
| 36 | <i>Apera spica-venti</i> | Miotła zbozowa | | | | | | | | | | | | | |
| 37 | <i>Arabidopsis thaliana</i> | Rzodkiewnik pospolity | | | | | | | | | | | | | |
| 38 | <i>Arctium lappa</i> | Łopian większy | | | | | | | | | | | | | |
| 39 | <i>Arctium minus</i> | Łopian mniejszy | | | | | | | | | | | | | |
| 40 | <i>Arctium tomentosum</i> | Łopian pajęczynowaty | | | | | | | | | | | | | |
| 41 | <i>Arenaria serpyllifolia</i> | Piaskowiec macierzankowy | | | | | | | | | | | | | |
| 42 | <i>Armeria maritima</i> | Zawciąg pospolity, laseczki | | | | | | | 3 | | | | | | T? |
| 43 | <i>Armoracia rusticana</i> | Chrzan pospolity | | | | | | | | | | | | | |
| 44 | <i>Arrhenatherum elatius</i> | Rajgras wyniosły, owsik pastewny | | | | | | | | | | | | | |
| 45 | <i>Artemisia absinthium</i> | Bylica piołun | | | | | | | | | | | | | |
| 46 | <i>Artemisia campestris</i> | Bylica polna | | | | | | | | | | | | | |
| 47 | <i>Artemisia vulgaris</i> | Bylica pospolita | | | | | | | | | | | | | |
| 48 | <i>Astragalus glycyphyllos</i> | Traganek szerokolistny | | | | | | | | | | | | | |
| 49 | <i>Athyrium filix-femina</i> | Wietlica samica | | | | | | | | | | | | | |
| 50 | <i>Atriplex patula</i> | Loboda oszczepowata | | | | | | | | | | | | | |
| 51 | <i>Ballota nigra</i> | Mierznica czarna | | | | | | | | | | | | | |
| 52 | <i>Barbarea vulgaris</i> | Gorczycznik pospolity | | | | | | | | | | | | | |
| 53 | <i>Bellis perennis</i> | Stokrotka pospolita | | | | | | | | | | | | | |
| 54 | <i>Berberis vulgaris</i> | Berberys zwyczajny | | | | | | | | | | | | | |
| 55 | <i>Berteroa incana</i> | Pylenieć pospolity | | | | | | | | | | | | | |
| 56 | <i>Benula pendula</i> | Brzoza brodawkowata | | | | | | | | | | | | | |
| 57 | <i>Benula pubescens</i> | Brzoza omszona | | | | | | | | | | | | | |
| 58 | <i>Bidens tripartita</i> | Uczep trójlistkowy | | | | | | | | | | | | | |
| 59 | <i>Bilderdykia convolvulus</i> | Rdest powojowy | | | | | | | | | | | | | |
| 60 | <i>Bilderdykia dumetorum</i> | Rdest zarosłowy | | | | | | | | | | | | | |
| 61 | <i>Butomus umbellatus</i> | Łączęć baldaszkowy | | | | | | | | | | | | | |
| 62 | <i>Briza media</i> | Drzazka średnia | | | | | | | 2 | 3 | | | | | T? |
| 63 | <i>Bromus hordeaceus</i> | Stokłosa miękka | | | | | | | | | | | | | |
| 64 | <i>Bromus inermis</i> | Stokłosa bezostna | | | | | | | | | | | | | |
| 65 | <i>Bromus sterilis</i> | Stokłosa płonna | | | | | | | | | | | | | |
| 66 | <i>Buglossoides arvensis</i> | Navrot polny | | | | | | | | | | | | | |
| 67 | <i>Cakile maritima</i> | Rukwiel nadmorska | | | | | | | 3 | | | | | | T |
| 68 | <i>Calamagrostis canescens</i> | Trzcinnik lancetowaty | | | | | | | | | | | | | |
| 69 | <i>Calamagrostis epigejos</i> | Trzcinnik piaszkowy | | | | | | | | | | | | | |
| 70 | <i>Calluna vulgaris</i> | Wrzos zwyczajny | | | | | | | | | | | | | |
| 71 | <i>Calla palustris</i> | Knieć błotna, kaczeniec | | | | | | | | 3 | | | | | |
| 72 | <i>Calystegia sepium</i> | Kielisznik zarosłowy | | | | | | | | | | | | | |
| 73 | <i>Campanula patula</i> | Dzwonek rozpięzchły | | | | | | | V | 3 | | | | | |
| 74 | <i>Campanula rapunculoides</i> | Dzwonek jednostronny | | | | | | | | | | | | | |
| 75 | <i>Campanula rotundifolia</i> | Dzwonek okraglistny | | | | | | | | | | | | | |
| 76 | <i>Campanula latifolia</i> | Dzwonek szerokolistny | | V | | LC | | | | | OC | | | | T? |
| 77 | <i>Campanula trachelium</i> | Dzwonek pokrzywolistny | | | | | | | | | | | | | T? |
| 78 | <i>Capsella bursa-pastoris</i> | Tasznik pospolity | | | | | | | | | | | | | |
| 79 | <i>Cardamine amara</i> | Rzeżucha gorzka | | | | | | | | 3 | | | | | |
| 80 | <i>Cardamine pratensis</i> | Rzeżucha łąkowa | | | | | | | 3 | | | | | | |
| 81 | <i>Cardaminopsis arenosa</i> | Rzeżusznik piaszkowy | | | | | | | | | | | | | |
| 82 | <i>Carduus acanthoides</i> | Oset nastroszony | | | | | | | | | | | | | |
| 83 | <i>Carduus crispus</i> | Oset kędzierzawy | | | | | | | | | | | | | T |
| 84 | <i>Carex acutiformis</i> | Turzyca błotna | | | | | | | | | | | | | |
| 85 | <i>Carex acuta</i> | Turzyca zaostrowana | | | | | | | | | | | | | |

| | | | | | | | | | | | | | | | | | |
|-----|---------------------------------|---------------------------------------|-----|---|----|----|----|---|---|---|--|--|-----|--|--|--|----|
| 86 | <i>Carex arenaria</i> | Turzyca piaszkowa | | | | | | | | | | | Ocz | | | | T |
| 87 | <i>Carex elata</i> | Turzyca sztywna | | | | | | R | | | | | | | | | |
| 88 | <i>Carex hirta</i> | Turzyca owłosiona | | | | | | | | | | | | | | | |
| 89 | <i>Carex pilulifera</i> | Turzyca pigułkowa | | | | | | | | | | | | | | | |
| 90 | <i>Carex pseudocyperus</i> | Turzyca ciborowata | | | | | | | | | | | | | | | |
| 91 | <i>Carex remota</i> | Turzyca odległokłosa | | | | | | | | | | | | | | | |
| 92 | <i>Carex riparia</i> | Turzyca brzegowa | | | | | | | | | | | | | | | |
| 93 | <i>Carex sylvatica</i> | Turzyca leśna | | | | | | | | | | | | | | | T |
| 94 | <i>Carex vesicaria</i> | Turzyca pęcherzykowata | | | | | | | | | | | | | | | |
| 95 | <i>Carex vulpina</i> | Turzyca lisia | | | | | | | 3 | | | | | | | | T |
| 96 | <i>Carina vulgaris</i> | Dziewiećsił pospolity | | | | | | | 3 | | | | | | | | T |
| 97 | <i>Carpinus betulus</i> | Grab zwyczajny | | | | | | | | | | | | | | | |
| 98 | <i>Carum carvi</i> | Kminek zwyczajny, karolek | | | | | | | 2 | 2 | | | | | | | T |
| 99 | <i>Centaurea cyanus</i> | Chaber bławatek | | | | | | | V | | | | | | | | |
| 100 | <i>Centaurea jacea</i> | Chaber łąkowy | | | | | | | 3 | 3 | | | | | | | |
| 101 | <i>Centaurea scabiosa</i> | Chaber drakiewnik | | | | | | | | | | | | | | | |
| 102 | <i>Centaureum pulchellum</i> | Centuria nadobna | | | | | | | 2 | | | | OC | | | | |
| 103 | <i>Cerastium arvense</i> | Rogownica polna | | | | | | | | | | | | | | | |
| 104 | <i>Cerastium fontanum</i> | Rogownica pospolita | | | | | | | | | | | | | | | |
| 105 | <i>Cerastium semidecandrum</i> | Rogownica pięciopręcikowa | | | | | | | | | | | | | | | |
| 106 | <i>Chaerophyllum bulbosum</i> | Świerżabek bulwiasty | | | | | | | | | | | | | | | T |
| 107 | <i>Chaerophyllum temulentum</i> | Świerżabek gajowy, bialek | | | | | | | | | | | | | | | |
| 108 | <i>Chamomilla recutita</i> | Rumianek pospolity | | | | | | | | | | | | | | | |
| 109 | <i>Chamomilla suaveolens</i> | Rumianek bezpromieniowy | | | | | | | | | | | | | | | |
| 110 | <i>Chelidonium majus</i> | Glistnik jaskółcze zielenie | | | | | | | | | | | | | | | |
| 111 | <i>Chenopodium album</i> | Komosa biała, lebiada | | | | | | | | | | | | | | | |
| 112 | <i>Chenopodium hybridum</i> | Komosa wielkolistna | | | | | | | | | | | | | | | |
| 113 | <i>Cichorium intybus</i> | Cykoria podróżnik | | | | | | | | | | | | | | | |
| 114 | <i>Cicuta virosa</i> | Szaleń jadowny, cykuta | | | | | | | | | | | | | | | T? |
| 115 | <i>Circaea lutetiana</i> | Czartawa pospolita | | | | | | | | | | | | | | | |
| 116 | <i>Cirsium arvense</i> | Ostrożeń polny | | | | | | | | | | | | | | | |
| 117 | <i>Cirsium oleraceum</i> | Ostrożeń warzywny | | | | | | | | | | | | | | | |
| 118 | <i>Cirsium palustre</i> | Ostrożeń błotny | | | | | | | | | | | | | | | |
| 119 | <i>Cirsium vulgare</i> | Ostrożeń lancetowaty | | | | | | | | | | | | | | | |
| 120 | <i>Climopodium vulgare</i> | Czyścica storzyszek | | | | | | | | | | | | | | | |
| 121 | <i>Comarum palustre</i> | Siedmiopalecznik błotny | | | | | | | | | | | | | | | |
| 122 | <i>Convallaria majalis</i> | Konwalia majowa, lanuszka | | | | | | | | | | | Ocz | | | | T? |
| 123 | <i>Convolvulus arvensis</i> | Powój polny | | | | | | | | | | | | | | | |
| 124 | <i>Coryza canadensis</i> | Przymiotno kanadyjskie | | | | | | | | | | | | | | | |
| 125 | <i>Cornus sanguinea</i> | Dereń świdwa | | | | | | | | | | | | | | | |
| 126 | <i>Coronilla varia</i> | Cieciora pstra, cieciorczka | | | | | | | | | | | | | | | |
| 127 | <i>Corylus avellana</i> | Leszczyna pospolita | | | | | | | | | | | | | | | |
| 128 | <i>Corynephorus canescens</i> | Szczotliha siva, kozia bródka | | | | | | | | | | | | | | | |
| 129 | <i>Crataegus laevigata</i> | Głóg dwuszyjkowy | | | | | | | | | | | | | | | |
| 130 | <i>Crataegus monogyna</i> | Głóg jednoszyjkowy | | | | | | | | | | | | | | | |
| 131 | <i>Crepis biennis</i> | Pępawa dwuletnia | | | | | | | | | | | | | | | |
| 132 | <i>Crepis capillaris</i> | Pępawa zielona | | | | | | | | | | | | | | | |
| 133 | <i>Crepis paludosa</i> | Pępawa błotna | | | | | | | V | 3 | | | | | | | |
| 134 | <i>Crepis tectorum</i> | Pępawa dachowa | | | | | | | | | | | | | | | |
| 135 | <i>Cynosurus cristatus</i> | Grzebienica pospolita | | | | | | | 3 | 3 | | | | | | | T? |
| 136 | <i>Cytisus scoparius</i> | Zarnowiec miotlasty | | | | | | | | | | | | | | | |
| 137 | <i>Dactylis glomerata</i> | Kupkówka pospolita, rajgras niemiecki | | | | | | | | | | | | | | | |
| 138 | <i>Dactylorhiza majalis</i> | Storczyk szerokolistny | | | | | LC | R | 2 | 2 | | | OC | | | | T |
| 139 | <i>Danthonia decumbens</i> | Izrzyca przyzienna | | | | | | | V | | | | | | | | |
| 140 | <i>Daucus carota</i> | Marchew zwyczajna, ptasie gniazdo | | | | | | | | | | | | | | | |
| 141 | <i>Deschampsia cespitosa</i> | Śmiałek darniowy | | | | | | | | | | | | | | | |
| 142 | <i>Deschampsia flexuosa</i> | Śmiałek pogięty | | | | | | | | | | | | | | | |
| 143 | <i>Descurainia sophia</i> | Stulicha psia | | | | | | | | | | | | | | | |
| 144 | <i>Digitalis purpurea</i> | Naparstnica purpurowa | | | | | | | | | | | | | | | |
| 145 | <i>Capsella bursa-pastoris</i> | Tasznik pospolity | | | | | | | | | | | | | | | |
| 146 | <i>Drosera rotundifolia</i> | Rosiczka okrągłolistna | V | I | LC | | | | 3 | 3 | | | OC | | | | T |
| 147 | <i>Dryopteris carthusiana</i> | Narecznica krótkostna | | | | | | | | | | | | | | | |
| 148 | <i>Dryopteris dilatata</i> | Narecznica szerokolistna | | | | | | | | | | | | | | | T |
| 149 | <i>Dryopteris filix-mas</i> | Narecznica samcza | | | | | | | | | | | | | | | |
| 150 | <i>Echinochloa crus-galli</i> | Chwastnica jednostronna, kurze proso | | | | | | | | | | | | | | | |
| 151 | <i>Echium vulgare</i> | Zmijowiec zwyczajny | | | | | | | | | | | | | | | |
| 152 | <i>Eleocharis palustris</i> | Ponikło błotne | | | | | | | | | | | | | | | |
| 153 | <i>Elodea canadensis</i> | Moczarka kanadyjska | | | | | | | | | | | | | | | |
| 154 | <i>Elymus arenarius</i> | Wydmuchrzyca piaszkowa | | | | | | | | | | | | | | | T |

LEGENDA:

OC - gatunki pod ochroną ścisłą
Ocz - gatunki pod ochroną częściową
Ex, 0 - gatunki zaginione, wymarłe
E, 1 - gatunki wymierające
V, 2, 3 - gatunki zagrożone

4 - gatunki potencjalnie zagrożone wymarciem

R - gatunki rzadkie

I - gatunki o nieokreślonym zagrożeniu (Ex, E, V lub R)

K - gatunki o zagrożeniu niedostatecznie poznany

DHV - gatunek zagrożony wg Dyrektywy Habitatowej

T - gatunki wymarłe, wymierające, narazone, potencjalnie zagrożone i rzadkie, których stanowiska powinny zostać objęte kartowaniem podczas prac terenowych.

T? - gatunki lokalnie rzadkie i zagrożone, które powinny zostać objęte kartowaniem podczas prac terenowych, o ile na danym terenie (gmina) znajduje się mniej niż 20 stanowisk tego gatunku.
